

Successful Applicants

Community Grants for safer, greener and more active travel February 2017

The Department of Planning, Transport and Infrastructure recently awarded further Community Grants for safer, greener and more active travel. The successful applicants for February 2017 are:

Teen Challenge Men Riding Free	Teen Challenge will purchase bicycles to assist their clients to develop skills and confidence in cycling to sustain active travel habits. The bicycles will be used by their clients to attend various appointments and essential services whilst reducing the number of kilometres travelled by their mini bus and fleet vehicles.	\$4,430.00
Mount Barker District Council Can you ride?	Mount Barker District Council will purchase bicycles to encourage active travel to meetings across their three main worksites, with an aim to build active travel to meetings as an organisational norm, resulting in a reduction of fleet vehicle and taxi use.	\$6,382.60
Uniting Communities Staying carbon neutral through online collaboration	DPTI, in partnership with the Motor Accident Commission, is supporting Uniting Communities to implement a project which aims to embed a culture of video conferencing between their metropolitan and regional sites. This project will result in improved road safety outcomes and economic benefits to Uniting Communities and the wider community.	\$10,500.00
